Permit Renewal

Re: Application No. 05-0073 in reference to the location below:

Approximately 250 feet east of Paradise Avenue and approximately 500 feet southeast of its intersection with Paradise Court near Utility Pole No. 43, Assessor's Plat 127, Lot 21, Middletown, RI

Dear Mr. Utz:

Kindly be advised that the Department of Environmental Management's ("DEM") Freshwater Wetlands Program ("Program") has completed its review of your **Application for Renewal** received on April 15, 2009.

It is our understanding that you are requesting renewal of the permit issued for Application No. 05-0073. The original permit was issued on April 20, 2005 to you for alterations to freshwater wetlands at the above-referenced location.

This Program has completed review of the application and has found that the project has not yet commenced. In all other respects, at this time, it is in conformance with those conditions set forth in the original permit as well as the Rules and Regulations Governing the Administration and Enforcement of the Freshwater Wetlands Act (Rules). It is our determination, therefore, that the permit may be renewed. This renewal is valid until **April 20, 2011** and expires on that date. No further renewals are available for this project after that date.

It is your responsibility to maintain compliance with the conditions of the original permit (copy enclosed) and to carry out this project in compliance with the Rules at all times. This renewal does not relieve you of any obligations to obtain any local, state, or federal approvals or permits as required by ordinance or law. Any further modifications to the project not illustrated on the approved site plans would require approval of, at least, an Application for Permit Modification prior to the expiration of the permit.
