John H. Ericson Et. Al.
27 Fifth Avenue
Frenchtown, New Jersey 08825

RE: Application No. 18-0025 in reference to the location below:

Approximately 300 feet east of Gardner Road and approximately 1,500 feet south of its intersection with Ten Rod Road, opposite Utility Pole No. 17, Assessor's Plat 34, Lot 4, Block 4, Exeter, RI.

Dear Mr. Ericson:

Kindly be advised that the Department of Environmental Management's ("DEM") Freshwater Wetlands Program ("Program") has completed its review of your **Request to Determine the Presence of Freshwater Wetlands**. This review included an inspection of the above referenced property ("subject property") as described by the site plans submitted with your application and received by the DEM on February 9, 2018.

Based upon the Program's observations and review, it is our determination that no freshwater wetlands are present on or in close proximity to the subject property.

This letter does not constitute an approval or permit for any proposed project on the subject property. Pursuant to Section 2-1-21(a) of the Freshwater Wetlands Act and the Rules and Regulations Governing the Administration and Enforcement of the Freshwater Wetlands Act (Rules) a permit is required from this Program prior to the commencement of any activity which impacts or alters freshwater wetlands

In accordance with Rule 8.02(C) of the Rules, this determination of the presence of wetlands is valid for a limited period of four (4) years from the date of issue.

Please contact me at (401-222-6820 ext. 7408) should you have any questions regarding this letter.

Sincerely,

Nancy L. Freeman, Senior Environmental Scientist
Office of Water Resources
Freshwater Wetlands Program
