RE: Application No. 22-0137 in reference to the location below:

Approximately 300 feet east of Valley Road (building No. 82 Valley Road), and approximately 825 feet north of its intersection with Atlantic Drive, Assessor's Plat 113, Lot 117, Middletown, RI.

Dear Mr. Fortado:

Kindly be advised that the Department of Environmental Management's ("DEM") Freshwater Wetlands Program ("Program") has completed its review of your **Request to Determine the Presence of Freshwater Wetlands**. This review included an inspection of the above referenced property ("subject property") as described by the site plans submitted with your application and received on April 14, 2022.

Based upon the Program's observations and review, it is our determination that freshwater wetlands regulated by the DEM are not present on or in close proximity to the subject property.

In accordance with 250-RICR-150-15-1.8(B)(3), this determination is valid for a limited period of four (4) years from the date of issue. Please note that this determination does not remove your obligation to obtain any local, state, or federal approval or permit as required by ordinance or law.

Should you have any questions regarding this determination, please contact Andy Charpentier of this Office (telephone: 401-222-6820 ext. 2777414).

Sincerely,

A handwritten signature in cursive script that reads "Martin D. Wencek".
